## THE COALITION TO END RELATIONSHIP ABUSE REMEMBERS JAYDEN LEE KLINE

### MINNESOTA'S 35TH CONFIRMED VICTIM OF INTIMATE PARTNER HOMICIDE IN 2023

Jayden Lee Kline, 18, was shot and killed outside her Fridley home on December 21. Jayden's ex-boyfriend, Fenan Abdurezak Uso, 17, is charged with second-degree murder. Jayden and Uso had returned from the mall when neighbors heard a gunshot. Jayden's body was then seen rolling out of the passenger side door before Uso's van drove away. Uso was arrested later that day and admitted to shooting Jayden and drove away quickly because "he realized he did something dumb." He also told police he purchased the firearm on December 20, the day before he killed Jayden. Authorities found the serial number matched a stolen firearm from Marshalltown, Iowa.
