THE COALITION TO END RELATIONSHIP ABUSE REMEMBERS **DAVID JOSEPH NANOVIC** MINNESOTA'S 5TH CONFIRMED VICTIM OF INTIMATE PARTNER HOMICIDE IN 2024

David Joseph Nanovic, 45, was shot and killed in his girlfriend's home in Credit River on March 4, 2024. His girlfriend Jennifer Lieber, 45, is charged with second degree murder.

On the night of March 4th police were called to Lieber's home by her ex-husband for a welfare check, where they encountered Lieber, with Lieber stating that she had "really f###ked up." Deputies then found David's body in the home.

David's minor son stated that he, Lieber, and David were watching TV when Lieber, who had been drinking all night, "became very agitated" and grabbed a handgun, which she pointed at them throughout the night while threatening to kill them and calling David racial slurs. David and his son later left the main house to go to the pool house. Lieber's two minor children, who were present for part of the night, then told David that Lieber was "acting crazy." While attempting to return to the main house, David approached with his hands up and his son reported this was the last time he saw his father before police found his body. The medical examiner determined David died of a gunshot wound to the forehead.

David and his son had been living in Lieber's home since 2022 and at some point David and Lieber had begun a romantic relationship. The son reported that living in Lieber's home was like "living in hell" and that Lieber had a history of physically and verbally abusing David.

David Joseph Nanovic is survived by his minor son.
